The Indiana Supreme Court through its Division of State Court Administration ("Division") and Courthouse News Service ("Requesting Party") hereby enter into this User Agreement for Bulk Distribution of Data or Compiled Information ("Agreement") for the purpose of establishing roles and responsibilities associated with the dissemination and use of Indiana court information pursuant to the provisions of Administrative Rule 9 of the Indiana Rules of Court ("Rule 9").

#### Recitals

- A. Pursuant to Rule 9(F)(2), the Division is responsible for approving all requests for bulk distribution of Data or Compiled Information by Indiana Courts.
- B. The Division reviews each request for bulk distribution to insure that the request is consistent with the purposes of Rule 9 and that each request is an appropriate use of public resources.
- C. The Requesting Party seeks bulk distribution of Data or Compiled Information for its own use and understands that it must comply with the provisions of this Agreement.
- D. The Division requires that the Requesting Party understand and agree to comply with certain restrictions on usage of the Data and Compiled Information.
- E. The Requesting Party is not automatically entitled to the distribution of Data or Compiled Information of a county simply by the approval of this user agreement by the Division.
- F. The Requesting Party will be required to pay reasonable costs incurred by the Division or by the responding Court/Clerk in responding to the request for bulk distribution.
- G. The bulk distribution is limited to court records, even if the Requesting Party is seeking other information that is governed by other agencies' policies.

#### Agreement

1. **Definitions.** For the purpose of this Agreement, the following definitions shall apply:
  - A. "Administrative Record" means any document, information, data, or other item created, collected, received, or maintained by a Court, Court agency, or Clerk of

Execution of this Agreement and approval of the Requesting Party's request by the Division do not create any mandatory obligation on the part of any county or Court to provide Court Records to the requesting Party. Pursuant to Administrative Rule 9(F), the counties or Courts identified below must determine on an individual basis whether resources are available to transfer the Court Records to the Requesting Party and whether fulfilling the request is an appropriate use of public resources. Those rights may not be transferred, assigned, or sold for any purpose to any person, corporation, partnership, association, or organization of any kind. The Requesting Party shall provide the Division with the names of all entities related in any way to the Requesting Party, including subsidiaries and affiliates, the names under which the Requesting Party is doing business and any other related entity names. The Requesting Party shall supplement this agreement within thirty (30) days of a change in the list of names provided to the Division as requested by this Section 3.
4. **Ongoing Data Scrubbing and Update Requirements.** The Requesting Party shall comply fully with Rule 9 and shall delete any Social Security Number, bank account number and any other confidential information that is inadvertently included in the Court Records and take other appropriate action to ensure that such confidential information is not disclosed to others. Upon notice, the Requesting Party shall comply with future orders to scrub data if they should arise.
5. **Restrictions on Use of Data.**
  - A. **Compliance With Authorities.** The Requesting Party shall comply with all current and, as subsequently amended, federal and state laws, court rules, administrative rules and policies governing, regulating, and/or relating to Court Records.

- B. **Resale of Data.** Except as set forth in Section 6, the Requesting Party shall not reproduce, resell or otherwise distribute the Court Records or Data provided pursuant to this Agreement except in response to an inquiry from an individual for a Court Record or compilations or reports incidental to such individual Case Record as part of a service provided by Requesting Party. The Requesting Party shall not reconfigure the Court Records for subsequent bulk distributions.
- C. **Policies for dissemination of Data.** The Requesting Party shall not disseminate Court Records to the public through remote electronic access such as the Internet or other electronic method unless the County Clerk first obtains approval from the Division under Trial Rule 77(K). The Requesting Party is under an ongoing obligation to provide the Division with a copy of any updated Policy information within thirty (30) days of its modification.

The Requesting Party shall supplement its Request in Exhibit C with a copy of any Agreement entered into with the third party subject to the execution of this Agreement. The Requesting Party may not transfer bulk Data or Compiled Information to any third party who has not signed a User Agreement with the Division.
